Best to Concentrate on Peaceful Pursuits, Khrushchev Declares

Warns Nuclear Power Could Shatter Earth

By WILLIAM L. RYAN

WASHINGTON (AP) — Premier Nikita Khrushchev declared today that Russia and the United States must find ways to use nuclear power and rocket science for peace or "the earth will be covered with ashes and graves."

In his first major speech on American soil, the Soviet Communist leader said that in the search for peace "it is necessary for each side to meet the other half way."

He announced to a National Press Club luncheon audience that he intends to submit a new proposal on disarmament to the United Nations. He will address the U.N. General Assembly in New York Friday.

He said he hopes this proposal "will play an important part in the solution" of the disarmament problem, "the most burning issue of our time."

Khrushchev renewed his demands for a peace treaty with Germany, meaning West Germany and Communist East Germany, without waiting for unification as the Western powers insist.

In this connection he launched an attack on West Germany. He said "certain quarters in West Germany are harboring plans for setting the Soviet Union and the other powers at loggerheads, aggravating the relations between them and keeping the world in a state of international tension."

WASHINGTON (AP) — Bouncy and jovial, Soviet Premier Nikita Khrushchev told Americans today they and the Russians would be better off if they concentrated on peaceful pursuits—such as raising fine turkeys.

"If we don't give a capitalist turkey and a Communist turkey a passport, no one can tell the difference," quipped the beaming boss of world communism during a tour of the Department of Agriculture's huge experimental farm at nearby Beltsville, Md.

If Khrushchev was in a gay mood, his host, President Eisenhower, displayed a more somber outlook. The President told two White House callers this morning he hoped the Khrushchev visit might do some good toward easing world tensions.

Moscow Fair Film Shown to Kiwanians

Moscow this summer was brought to the Hope Kiwanis Club yesterday with a motion picture of the event presented by Don Davis of Klipsch & Associates.

Mr. Davis spent eight weeks at the Fair where he served as consultant to the U. S. Department of Commerce. He also presented colored slide photos showing various buildings and scenes of the Russian capital, including the Kremlin.

Guests included Mrs. Sam Strong of Hope, George Covington of Conway, and Harry Harris of Pasadena, Calif. Tom Purvis of Hope was introduced as a new member of the club.

Delegates to the 1959 International Kiwanis Convention to be held in St. Louis Sept. 19-22, were announced as George Frazier and Dale Duan, who will represent the local club.

Democrat Rules Lessen Chance of South Revolt

WASHINGTON (AP) — The Democratic National Committee today adopted a 1960 convention rule designed to lessen chances of a Southern revolt against the convention nominees.

Surprisingly, the action was taken without debate.

The rule is the same one adopted in the 1956 convention. It provides that states in sending delegations to the convention undertake to assure that voters of the state will have a chance to ballot for the convention nominees, and that electors will be named who are pledged formally or in good conscience to the convention candidates.

Democratic Chairman Paul M. Butler proposed redrafting of the 1956 rule and his plan was presented to the committee today by George F. Rock, Colorado member, and seconded by Herman F. Jessen of Wisconsin.

Butler then called for discussion. When no one rose to speak he put the plan to a voice vote and it carried with a few scattered calls of "no."

Southern members had erupted violently against Butler several weeks ago when he first suggested the redrafting of the delegate good faith proposal and it was expected they would fight it today with all their strength.

They apparently decided that they had little chance of defeating the plan on a roll call vote, so avoided a lengthy debate on it.

Butler appeared both surprised and pleased when no vocal opposition developed over the committee action which is subject to approval by next year's convention.

From Treasurer Matthew McCloskey, the committee heard an urgent plea for campaign funds. He said the party was still about \$500,000 in debt despite pledges and contributions of nearly \$350,000 in debt despite pledges and contributions of nearly \$350,000 toward eliminating its debt.

Later the committee was to take up a controversial convention delegate apportionment plan which Butler revised at the last minute to avoid opposition from the South and some other states.

Butler's revised proposal would give each state in the next convention 2 1/2 votes for each of its Continued on Page Two

Red Premier Pleased With His Reception

WASHINGTON (AP) — Soviet Premier Nikita Khrushchev said today he is "very pleased" with his reception in the United States but hasn't changed any of his conceptions about the country.

An impromptu interview developed at a reception at the National Press Club and the Soviet leader was asked whether he has yet changed any conceptions he had about the United States.

"No," he quickly replied.

"Far impressed what has thus far impressed him the most."

"Despite the strong propaganda against the Soviet Union and the Communist party and me as its leader, the American public is giving me a good, warm reception. This shows the public realizes the need for friendship with the Soviet Union," he replied.

"One might not respect our political views, but since we are living on one planet we must try to live together."

"We are not the kind of people you have been pictured. We don't gobble up babies. After all, I eat the same food you do—a little meat, a little potatoes."

"The Soviet Premier, standing calmly in the midst of reporters with his hands folded across his stomach, answered questions quickly and with apparent ease."

More Fighting in Laos Is Reported

VIENTIANE, Laos (AP) — Minor rebel guerrilla fighting was reported in northern Sam Neua province today as the United Nations fact-finding committee on Laos went into its first working session here.

A military communique said the area around the government-held valley post of Muong Son was harassed by pro-Communist rebel bands. Others were reported spreading anti-government propaganda through villages occupied by rebels in the northeastern part of the province.

In Vientiane, some 200 miles to the south, U.N. delegates from Japan, Italy, Argentina and "Asia sat down to plan methods and a schedule for investigating Laotian charges that the rebellion is being led and equipped by neighboring Communist North Viet Nam.

Gets 12 Years in Fatal Shooting

HOPE SPRINGS, Ark. (AP) — Joe McCarthy, 39, of Hope Springs, was sentenced today to 12 years imprisonment today after pleading guilty in the fatal shooting of Johnny Hill at the home of the latter's estranged wife last fall.

Prosecutor Walter J. Hebert told Circuit Judge P. E. Dobbs that both sides were in an agreement for a reduction of the charge and it was cut to second degree murder.

Hill went to his wife's house, which was owned by McCarthy, on Sept. 29, 1958 and found McCarthy there. After an argument, Hill was killed by a pistol bullet in the head, Mrs. Hill told police that she and her husband had planned a reconciliation.

Judge Dobbs allowed McCarthy to remain free on \$10,000 bond until next Monday in order to take care of his affairs before entering the penitentiary.

UN Expected to Again Pass China Issue

By MAX HARRELSON

UNITED NATIONS, N. Y. (AP) — The U.N. Steering Committee today brushed aside Soviet objections and voted to shelve for another year the question of seating Red China in the world organization.

The postponement was proposed by the United States.

The vote in the 21-nation committee was 12-7 with one abstention.

It still has to be ratified by the full 32-nation General Assembly, but approval was assured.

Voting for the U.S. resolution were the United States, Britain, France, the Philippines, Turkey, Brazil, Union of South Africa, Nationalist China, Liberia, Bolivia, Belgium and Guatemala.

The negative votes were cast by the Soviet Union, Romania, Czechoslovakia, Burma, Indonesia, Sweden and Morocco.

Austria abstained and the assembly president, Peruvian Ambassador Victor Andres Bolognini, refrained from voting.

U.S. Delegate James J. Wadsworth told the committee that any move to act on the issue now would be ill-timed in view of recent Communist actions in Asia.

Although the outcome appeared certain, the debate on the China question was watched with unusual interest because of its possible bearing on the atmosphere of East-West relations during the three-month session.

The proceedings have added significance because they come almost on the eve of Soviet Premier Nikita Khrushchev's speech before the Assembly Friday afternoon. Regardless of the steering committee's decision, Khrushchev was expected to put in a strong bid for his Peiping partners.

Indian Defense Minister V. K. Krishna Menon was leading the fight to have the Assembly act now on the China representation question. The Indians insisted they still felt Red China should be in the U. N. despite India's current difficulties with the Peiping regime.

A Chinese Nationalist spokesman said the Chinese Communist actions during the past year in Tibet and on the Indian border—as well as their alleged aid to Laotian rebels—would result in a setback for those who want Red China admitted.

The Assembly begins its general debate Thursday. Both U. S. Secretary of State Christian A. Herter and British Foreign Secretary Selwyn Lloyd will deliver their policy declarations on the first day.

Tuesday's opening session was limited to the election of officers. Victor Andres Bolognini, veteran Peruvian diplomat, was chosen president.

Public Listens Politely to Khrushchev

By SAUL PETT

WASHINGTON (AP) — The visible reaction of Americans so far to Nikita Khrushchev resembles the attitude of the housewife who finds that a salesman somehow has poked one foot in the door.

He talks. She listens. But she isn't buying.

Khrushchev talked, smiled, waved, hugged little girls, winked at photographers. But, among the people at the airport and lining the route into Washington Tuesday, he got little applause, only scattered waving in answer to his own waving, and mostly a grim, curious silence.

The leader of the proletariat was friendly, smiling, cooperative. He even allowed himself to be transported in a big, black, capitalist Cadillac. But on one point, he refused to be contaminated.

The invitation to Tuesday night's White House dinner clearly said, "white tie." Khrushchev would have none of it. He wore the same black business suit he had on when he arrived in America.

Unlike most visitors, Khrushchev was lucky his first day here; his wife resisted the impulse to shop.

But Mr. K got in some sight-seeing. For half an hour he flew with the President in his helicopter, seeing Washington and the Maryland and Virginia suburbs.

The only other Khrushchev to tour the town was Sergei, the Premier's son. By ear, he visited the Washington Monument and Jefferson Memorial. At the tidal basin he took pictures of some Negroes fishing. What do you suppose he'll tell the folks back home about that picture?

Just as Khrushchev's Cadillac was pulling away from Blair House to take him to the White House for the first time, a street car got in the way. It was quickly rushed off.

If the Soviet Premier wanted to know how real Americans really live, they should have let him wait behind that street car for awhile.

## Democrat Rules

Continued from Page One

U.S. Senators and representatives, do away with a 15-year-old bonus system, and where a state would lose under such apportionment compared with 1936 the difference would be made up so no state would lose any votes.

Under Butler's first plan announced last weekend, 22 states and territories would have gained votes, 15 would have lost, and seven would have stayed the same. The 11 southern states would have had their percentage of voting strength cut under the first plan by 1.66 per cent.

The new plan would permit states to double the number of allotted delegates with a half vote given each delegate. Thus, if all states did this the 1936 convention would at Los Angeles have 3,022 delegates. The last convention had 2,744.

The Democrats have been operating under a basic rule that gives a state two votes in the convention for each senator and one for each House member plus a whole series of bonuses that have grown up through the years.

Since the Southern states are heavily Democratic—in effect one-party states in some instances—they have gained most from bonuses allowed.

while prayer bench where the  
couple knelt. Large standing bas-  
kets holding immense white mums  
and fern flanked the altar area in  
each front corner of the sanctuary.  
The candles were lighted by Miss  
Sarah Ragland and Miss Annette  
Mulligan. Miss Sidney Miles of  
Corsicana attended the bride as  
maid of honor. Bridesmaids were  
Miss Ann Montfort of Corsicana,  
Miss Punky Bowker of Little Rock,  
Ark. and Mrs. Robert M. Brooks  
of Bellflower, Calif. William C.  
Gentry attended his son as best  
man. Ushers were John M. Brooks  
of Gloucester City, N. J. and Ro-  
bert M. Brooks of Bellflower, Cal-  
ifornia, brothers to the bride, Pat  
Green of Dallas, Don Hale of Eng-  
land Ark. Jimmy Armstrong of  
Little Rock, Ark.; and Doyle Wil-  
iams of El Dorado, Ark.

Given in marriage by her father,  
Miss Brooks wore a formal bridal  
gown of candlelight silk tulle  
fashioned with a wide neckline  
accented by scalloped chantilly  
lace and clusters of tiny seed  
pearls. Brief shirred sleeves were  
edged with chantilly lace. The  
tightly molded bodice was fastened  
at the back by tiny self covered  
buttons. It was enhanced by gar-  
land appliques of lace extending  
into the bouffant panel skirt and  
veiling the back of the chapel  
length train.

The bride's veil of candlelight silk  
tulle extended to the waist length  
from a pointed lace calot. She  
carried a cascade bouquet com-  
posed of gardenias grown by her  
parents at their home and tube-  
roses.

For her daughter's wedding Mrs.  
Brooks chose a dress of soft aqua  
with all-over tucks accented with  
appliques of aluminum lace. Her hat  
of net and feathers and her shoes  
matched the dress and she wore a  
gardenia corsage.

Mrs. Gentry, mother of the  
bridegroom, wore a dress of pink  
linen with inserts of Irish lace,  
matching hat and shoes and a  
gardenia corsage.

Mr. and Mrs. Brooks were hosts  
for the reception after the cere-  
mony at their home on the Prit-  
chett Highway.

Refreshments were served from  
two glass-topped white wrought-  
iron tables in the garden. The tiered  
white wedding cake was topped  
by sprays of lilies of the  
valley. Cake and fruit punch were  
served.

For travel, Mrs. Gentry chose a  
navy suit with navy accessories  
and feathered hat in a lighter blue  
shade.

After Sept. 15 Mr. and Mrs.  
Gentry will be at home in Dallas at  
2939 Daniels. He will attend Per-  
kins School of Theology at Southern  
Methodist University.

## DOROTHY DIX

Diner's Menu Includes  
Food and Philandering

Dear Dorothy Dix: When we  
were married eleven years ago,  
my husband didn't have much of  
a job and money was pretty  
scarce. It seemed the postman  
never delivered anything but bills  
to pay for them. Four years  
ago he was offered a diner for a  
very low price. It was an irresisti-  
ble bargain, so he borrowed the  
money and bought it. Almost im-  
mediately the financial picture  
changed — and so did my hus-  
band. He worked long hours, was  
very bad tempered and told me  
very little about the business.

Naturally, I wanted to see the  
diner and offered to work with

on September 14 at the Diamond  
Cafe.

Tied for second place were Mrs.  
J. M. Duffie and Mrs. A. K. Hollo-  
way, and Mrs. R. L. Branch and  
Mike Kelly. E. P. Young, Sr., and  
Dr. Harold Brents were the third  
place couple in the four tables of  
players.

Lyle Brown Guest Speaker

"Indifference in Church Mem-  
bers" was the theme of a mes-  
sage brought by Circuit Judge Lyle  
Brown to the 300 people attend-  
ing the First Baptist Church's  
second annual fall reunion and  
church-wide picnic and barbecue,  
held September 14 at the U of A  
Experiment Station.

Honored guests were the 62 new  
members of the church. Besides  
good food and fellowship, the group  
also enjoyed a vocal quartet selec-  
tion by Gilbert Thomas, Dr. John  
McClannahan, Jim Edwards, and  
H. A. Spraggins.

Mrs. Rob Jones Hostess  
To Tuesday Bridge Club

Mrs. Rob Jones on September 14  
when she was hostess to a meet-  
ing of her Tuesday Bridge Club.  
High scorers at the two tables  
Mrs. Tom Wardlaw and Mrs. C.  
C. Lewis.

Besides the club members, Mrs.  
Tom Middlebrooks and Mrs. R.  
V. Herndon were also guests for  
the afternoon. The hostess served  
andwiches, cake, and coffee for  
refreshments.

Mrs. James Pearson Entertained  
With Pink and Blue Shower

Mrs. Lee Calhoun and Mrs. Ed-  
gar Tyler entertained with a pink  
and blue shower Sept. 5 in honor  
of Mrs. James Pearson of Little  
Rock.

The Fellowship Hall was decora-  
ted in pink and blue. The gift  
table was covered with lace, cen-  
tered with pink roses and blue  
candles.

The honoree, the former Patsy  
Ann Calhoun, received many love-  
ly gifts.

Mr. and Mrs. L. D. Springer  
Jr. left for their home in N. Au-

carrier.  
Board President Everett Tucker  
Jr. said the three probably would  
start Friday at Central, where a  
Negro boy and a Negro girl have  
been peacefully attending integrated  
classes.

He said no additional Negroes  
were assigned to Hall High, where  
three Negro girls have attending  
classes since Sept. 12 without in-  
cident.

Fifteen other Negroes who asked  
for reassignment to Central  
from Mann were turned down.  
Nineteen of 32 white students who  
asked to be transferred between  
Central and Hall were granted re-  
assignment.

Questioned in connection with  
the bombing of the fire chief's  
station wagon, the mayor's busi-  
ness office and the school board  
administration building on Sept. 7  
was Richard K. Heinley, 51, a  
house painter.

The bombings had been linked  
to the integration crisis. Five  
men already have been charged  
with dynamiting property. They  
face arraignment Friday.

Delictive Capt. A. M. Haynie  
said the painter admitted belong-  
ing to the Ku Klux Klan. Police  
did not say what information they  
got from the questioning.

Facing arraignment on the  
bombing charges are J. D. Sims,  
55, Jesse Raymond Perry, 24,  
John Taylor Coggins, 39, Samuel  
Graydon Beavers, 49, and E. A.  
Lauderdale Sr., 48. All but Sims  
and Perry have been released on  
bond.

LITTLE ROCK, Ark. (AP) —  
The Little Rock School Board has  
proceeded with its plan for lim-  
ited integration in the city's high  
schools by assigning three more  
Negroes to once all-white Central  
High.

School Board President Everett  
Tucker Jr., said the three Ne-

when I say I want her back.—C.Z.  
Dear C.: A reformed husband  
is frequently better than one who  
never erred. If your reformation  
and determination to please are  
sincere, and I believe they are,  
your wife should give you the  
new chance you want. Plead with  
her to see a family counselor  
with you, so she can see a fair,  
unbiased consideration of the  
case. But remember, no slipping.

Dear Dorothy Dix: Since early  
summer I've been going steady  
with a swell girl. I go to her  
house to do homework a couple  
of nights a week but her 10-year-  
old brother insists on hanging  
around so we can't even concen-  
trate on our work. What can we  
do?—Bob

Dear Bob: Once upon a time a  
quarter would have gotten rid of  
the pest but I guess nothing less  
than a convertible would appeal  
to today's 10-year-old. If shooting  
him off to television doesn't work,  
I guess you'll just have to put  
up with him.

Dear Dorothy Dix: I have been  
married for three years. My wife  
and I had some trouble a year  
ago and she decided to leave me.  
Realizing I was partly to blame  
I let her go without any opposi-  
tion, knowing I needed some time  
to rectify the things I had done  
wrong. Since then I have tried  
and feel I can really be the hus-  
band she deserves. We have one  
child, I love and miss them and  
feel my wife should believe me

The department prepared a spe-

American farm production had in-

20 years, using one third fewer  
farm workers.

"Farmers and ranchers produced  
54 per cent more farm commodi-

The list included:  
47 per cent more corn on 15  
million fewer acres than 1930.  
Nearly 90 per cent more wheat  
on about the same acreage as 20  
years earlier.

60 million head of beef cattle

About 9 per cent more hogs on  
the same amount of land.

## Cats Determined to Give DeQueen a Rough Battle

Friday night the Hope Bobcats will journey to De Queen to meet the Leopards in a non conference battle. De Queen is rated as the 8th best team in Arkansas by the sportswriters on a statewide basis and tops all Class A football teams in the state.

Last week Coach John Pierce's Bobcats lost their season's opener to the top rated Pine Bluff Zephyrs 19 to 7. Breaks played a major role in the Pine Bluff victory and even though defeated the Cats rose in stature and prestige because of the rugged opposition they threw at the Big Nine favorite. While not listed among the "best dozen" statewide the Cats rose in the ratings to No. 9 position among Class AA powers. Early forecasters pick the Leopards as one point favorites to down the Bobcats.

Coach Jack Bell, Hope native, predicted before the season's open-

## Instructions Available to Young Hunters

With hunting season here and a number of youngsters in the fields with new guns, the Hempstead Junior Rifle Club feels that a young hunter should have a thorough knowledge of the firearm he is using.

A large number of hunters are killed every year through absolute carelessness with a gun of some kind. Many of these victims are grown men who never had an opportunity to learn gun safety as a child.

Serious accidents can be prevented by acquainting a young hunter with his shotgun or rifle before he ever takes to the fields with a hunting companion.

Instructions will be given on

## Jones, Burdette First Game in Crucial Series

By JOE RIECHLER  
Associated Press Sports Writer

he state was set for the big series today as the National League's only 20-game winners, Milwaukee's Lew Burdette and San Francisco's Sam Jones, clashed in the first game of the season's most important two-game set.

The Giants apparently free of their hitting doldrums, were comforted by the knowledge that even should the Braves knock them off in both games, the best Milwaukee could do is tie them for first place.

The Giants' lead today was two games, made possible by Tuesday's 13-6 conquest of Cincinnati coupled with Los Angeles' spectacular 8-7 comeback victory in 19 innings over the equally stubborn Braves.

The only thing that seems safe to predict at this point is that the race will go right down to the wire. That means the last three clubs — Chicago, St. Louis and Philadelphia — will play a vital role in determining the eventual winner.

On the final weekend of the campaign, Sept. 25, 26, 27, the Giants will play at St. Louis, the Dodgers at Chicago and the Braves will be host to Philadelphia.

In the American League, the Chicago White Sox edged a bit closer to their first flag in 40 years with a 4-3 victory at New York, reducing their magic number to four. Second place Cleveland lost 1-0 at Boston and now trails by 5½ games. Washington and Kansas City split a two-night pair, the Senators winning 1-0, then losing 5-2. Baltimore beat Detroit 2-1 in 11 innings.

St. Louis defeated Philadelphia 6-4 in the other NL game. Cold

Shotgun safety, shotgun chokes, proper loads for various game, shotgun stock fit, proper shooting stance and shooting fundamentals etc. at Legion Baseball Field Monday and Tuesday afternoons of next week immediately after 10 through 18 are urged to attend. All youngsters from ages 10 through 18 are urged to attend. Instructions will include all types of shotguns including single barrels, double barrels, over and under guns, pump guns and automatics.

There will be plenty of guns available and those attending are asked not to bring their own guns. There will be no charge for the instructions.

In the event of bad weather, instructions will be held the following day.

weather postponed Pittsburgh at Chicago.

Alarmed over the Giants' lack of base hits in recent days, Manager Bill Rigney shook up his lineup and his move paid immediate dividends. With Felipe Alou in right field and Jimmy Davenport at third base, the Giants smashed out of their hitting slump with eight runs in the first two innings. They massaged four Red Sox hurlers for 13 hits, including home runs by Daryl Spencer and Willie McCovey.

Little Maury Wills was the hero of the Dodgers' thrilling triumph. The light-hitting shortstop, who seems to have come up with a loaded bat, had a perfect 3-for-5 at the plate, scoring three runs and driving in another. He has 13 hits in his last 4 times at bat.

## White Sox Get Nearer as the Indians Lose

By ED WILKS  
Associated Press Sports Writer

He won't admit it, of course, but the only real problem Manager Al Lopez of the Chicago White Sox has today is a choice between Early Wynn and Billy Pierce as his opening game pitcher in the World Series.

Lopez, chairman of the board when it comes to nice guy managers, insists that there are a number of worries to be taken care of before he starts thinking about the series. But with his Sox 5½ games ahead and their magic number reduced to four with eight games to play in pursuit of their first American League pennant in 40 years, what problems he claims are imaginary.

Still, he was a limp—but happy—manager after his Sox kept down what comes naturally with a 4-3 victory over the New York Yankees Tuesday. He was less limp and even more happy a few hours later when Boston knocked out second place Cleveland 1-0.

Who the White Sox will meet when the series opens in Commissioner Park September 30 is still anybody's guess. The National League race could bust wide open with the two-game series opening at San Francisco today between the first-place Giants and the Milwaukee Braves.

The Giants regained a two-game edge with a 13-6 job on Cincinnati Tuesday while Los Angeles jumped back into a second-place tie with Milwaukee by beating the Braves 8-7 in 10 innings.

In the other AL games, Baltimore defeated Detroit 2-1 in 11 innings and Washington split a two-night pair with Kansas City, the Senators winning the opener 1-0 behind Camilo Pascual's three-hitter, then losing 5-2.

St. Louis beat Philadelphia 6-4

### Classen Likes Tulsa Over the Porkers

By HAROLD CLAASSEN  
Associated Press Sports Writer

NEW YORK (AP)—Here's the season's first whirl at trying to separate the winners from the losers on the gridiron.

North Carolina over Clemson: The Tar Heels have dedicated this game to the memory of their late coach, Jim Tatum. That should be decisive. It is not improbable that the ultimate champion of the Atlantic Coast Conference will be decided in this first game.

Louisiana State over Rice: LSU makes one of its rare daytime appearances so that TV fans can get a glimpse of Billy Cannon and his Bengal buddies.

Purdue over UCLA: The Big Ten team's defensive veterans know all the answers. This is a Friday night affair.

Mississippi over Houston: Ole Miss has experienced personnel everywhere.

Penn State over Missouri: Rickie Lucas gives the Pennsylvania Lions the edge.

Navy over Boston College: Too many sailors.

Georgia Tech over Kentucky: Tech has the better defense.

Maryland over West Virginia: Tom Nugent gets off on the right foot as head coach at Maryland.

Southern California over Oregon State, Texas over Nebraska.

Friday night  
San Jose over Denver, Detroit over George Washington, Florida Saturday

**SOUTH:** Davidson over Catawba, Florida State over Wake Forest, Presbyterian over Furman.

Alabama over Georgia, Virginia Military over Marshall, Duke over South Carolina, North Carolina State over Virginia Tech, Virginia over William & Mary.

**MIDWEST:** Bradley over Butler, Iowa State over Drake, Kansas State over Wichita, Pittsburgh over Marquette, Oklahoma State over Cincinnati, Richmond over Dayton.

**SOUTHWEST:** Tulsa over Arkansas, Texas A&M over Texas Tech, Texas Christian over Kansas.

**FAR WEST:** Arizona State over West Texas State, Arizona over Brigham Young, Colorado over Washington, New Mexico over New Mexico State, College of the Pacific over Colorado State University, Oregon over Stanford, Utah State over Idaho.

**Coach Broyles Is Worried About Tulsa**

FAYETTEVILLE, Ark. (AP)—Their tough practice work over the Arkansas Razorbacks' begin today for the 1960 season at Razorback stadium.

Coach Frank Broyles reported yesterday that the practice field is in good shape. No injuries are probable between today and Saturday since the Hogs run through row and merely limber up Friday.

Registration begins today at Ar-Joe Paul Alberty was back yesterday at his first unit fullback who was being given a try there.

The Razorback first unit backfield Saturday will probably have Jarrell Williams at the halfbacks, and James Monroe at quarterback.

The line will be Steve Butler and Billy Trautman at ends, Martin Epp and Jim Hollander at tackles, Billy Lanlow and Gerald Gardner at guards and Wayne Harris at center.

Broyles is vociferously worried about the Tulsa game, a prestige "must" for the Razorbacks. "I've lost six pounds," he said. "If there's nothing to worry about, I'll find something."

Arkansas announced yesterday at Chick Temperer, a quarterback from Memphis, will report to the Razorback camp Monday with other freshman prospects.

### 2 Charged in Death of Aged Negro

LITTLE ROCK (AP)—Two Negroes have been charged with first degree murder in the death of Ben Davis, 62-year-old Negro, whose body was found in a downtown alley Sept. 5.

Charges were filed yesterday against Harry Walker and Robert Davis Jr., both of Little Rock. They were held in city jail.

Police quoted the men as saying they stopped Ben Davis and an argument broke out. One admitted striking Ben Davis with a rock.

The coroner's office said an autopsy was performed in the death but the results were inconclusive.

### Polin Toll Climbs to 200 Cases

LITTLE ROCK (AP)—Arkansas cases of Polio have climbed to 200. Fifteen new cases were reported to the state Health Department last week.

Dr. A. M. Washburn, director of the department's division of communicable disease control, said ten of the new cases were paralytic.

**NEW BENEFITS FOR MEMBERS**

OF WOODMEN OF THE WORLD LIFE INSURANCE SOCIETY

Now added to the growing list of its fraternal services is ASSISTANCE TO MEMBERS AFFLICTED WITH LUNG CANCER — UP TO \$1,000.

Under the program, up to \$1,000 may be paid on behalf of any beneficiary member of one year or longer who develops lung cancer. Payments under this new program will be made with the following limitations: Hospitalization (not to exceed \$8.00 a day), \$250; Operating Room, \$75; Anesthesia, \$50; X-ray and Bronchoscopy, \$100; Drugs, \$75; Surgeon, \$350; Private Nurses (registered only), \$100; Maximum total each patient, \$1,000.

This new assistance program is not part of the insurance certificate. Rather, it is another free service fraternally provided to our members.

The program for providing relief to members who become victims of flood, tornado and other disasters has now become liberalized. Such members now may receive as much as a full year of payments for Woodmen of the World-life protection with a \$100 limitation.

Other benefits to members include unlimited free treatment for pulmonary tuberculosis — after one year's membership — which the Society has provided since 1923.
